

REMARKS

These remarks are set forth in response to the Non-Final Office Action mailed Nov. 12, 2008. Presently, claims 9-11 and 14 are pending in the Patent Application. In the Non-Final Office Action, claims 9-11 and 14 have been rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 6,971,028 to Lyle.

Claim 14 has been amended. No additional claims have been cancelled and no new claims have been added. The Applicant believes the aforementioned amendment places this Patent Application in condition for allowance.

The Applicant respectfully requests the withdrawal of the rejection under 35 U.S.C. § 102(e) owing to the amendment and the foregoing remarks. The Applicant requests that the Examiner call the undersigned if clarification is needed on any matter within this Amendment, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,

Date: May 12, 2009
